

The Solar Fuels Network warmly invites you to join the:

5th UK Solar Fuels Network Symposium

When? Friday, 27.01.2017

Where? Herschel Building, Newcastle
University, Newcastle, NE1 7RU

This last meeting of the SFN will be an excellent opportunity to discuss the latest advances in solar-driven fuels research, review the progress made since its creation and to interact with the expanding network of researchers in the UK.

Professor Grätzel (EPFL, Switzerland) will give a presentation within the frame of the Centenary Prize lecture tour.

INVITED SPEAKERS:

Dr Sophia Haussener - EPFL, Switzerland
Dr Mark Symes - University of Glasgow
Dr Martijn A. Zwijnenburg - UCL

A **flash&poster session** will also enable PhD students and early career researchers to showcase their work.

Abstract submission: 25.11.2016

SFN travel bursary application: 31.12.2016

**Registration will open in October –
more details to follow**
